ALTERAFLEX

Flexible Circuits, Rigid Circuit Boards, Rigid/FPC Capabilities. US & Offshore Board Assembly. Quick Turn. US & Offshore board assembly. <https://www.alteraflex.com/>

AEARO TECHNOLOGIES, LLC (a 3M Company)

Acoustic, Vibration and Shock solutions and testing. Isolation, Grommets, Barriers & Absorbers. Cushioning Materials. <https://www.aearotechnologies.com/industries/electronics/>

BECKERS FAB

Custom Professional Printing: Labels, Overlays, Membrane Switches, Gaskets. <https://www.beckersfab.com/>

EDAC GROUP...

Edac: Interconnect solutions including card-edge, headers, pogo pins, & customized connectors. <https://www.edac.net/>

NorComp: D-Subs, Micro-D, Special Application & Harsh Environment PCB Connectors, IP67 Sealed D-Subs. M-Series Waterproof Circulars. Backshells. Push/Pull Connectors. Custom Cable Assemblies. <https://www.norcomp.net/>

Northern Technologies: Backshells, strain relief, and EMI/RFI shielding solutions for signal integrity protection with cost effective solutions. <https://www.northerntech.com/>

MH Connectors: Cost-effective, higher Volume, high-quality D-Subs, Backshells, RJ45 connectors. Trusted reliability, global availability, and manufacturing consistency. <https://www.mhconnectors.com/>

GEI LCD.

Passive LC Displays: TN, HTN, STN, & FSTN. Color Displays: TFT. Assembly capabilities: COB, SMT, COG, and COF Assembly. Offering ChLCD (Bi-Stable) and E-Paper technologies <https://www.gei-lcd.com/>

JPC CONNECTIVITY USA

Interconnect & High Speed Assemblies for Data Center, Networking & Telecom. Standard & Integrated Custom Assemblies: SATA, SAS, PCIe, QSFP, SFP, Optical and more. New Energy Components & Assemblies for EV. <https://www.jpcco.com/>

MAJOR LEAGUE ELECTRONICS, INC.

PCB Connectors: .100", 2mm, .050" x .100", .050" x .050", TH & SMT. Terminal Blocks. Stacking Connectors. Direct crosses to Samtec. Also visit **acs.mlelectronics.com** for FPC/FFC, RF Coaxial Connectors & more. <https://www.mlelectronics.com/>

S and Y INDUSTRIES

Complete turnkey solutions for electronic PCA and Cable Assemblies, PCB development, prototype services, NPI, Material/Supply Chain management, PCB and higher level assembly, Quick Turn Facility, Test Development, Functional Testing, Final box build, Fulfillment, Service, and Repair. <https://www.sandyindustries.com>

SNC MANUFACTURING

Transformers, coils, high frequency magnetics and value-added assemblies. <https://www.sncmfg.com>

SunLED CORPORATION

LED Lamps: Micro RGB, SMT LEDs, LED Displays, Photo Interrupters, Value Add. <https://www.sunledusa.com>

XMULTIPLE TECHNOLOGIES INC.

RJ-45 single & multiple port, Integrated Magnetics Jacks, LED Jacks, combo Jacks. USB connectors, DIN 41612, UltraJax and X-RJAX. <https://www.xmultiple.com>
